

MINUTES
REGULAR MEETING
Cemetery Committee
August 25, 2010

Cemetery Committee called to order at 4:33 p.m. by Chairperson Marilyn Wisner.

Members present: Roger Blocks, Judi Grove, Sue Harris, Charlene Roberts & Cindy Starke

Absent: Steve Garbowicz

Sue Harris reported on the agenda posting in accordance with Open Meeting Law.

Agenda stands as approved.

Motion was made by Roberts and seconded by Blocks to approve the July 7, 2010 minutes as read.

Reports:

Roger Blocks informed the committee of his meeting with both Leo Sr. and Leo Jr. Horant, in regards to the completion of the Phase 1 – Reflecting Garden. There was confusion as to whether the Lexington Paving Stones and granite path would be installed this year as per the contract. After their discussion it was agreed that the stones would be placed at an angle and granite path would be installed for this 1st phase.

Roger also discussed the water line and possible sprinkler system installation, as well as how it could hook up to the existing water system in the cemetery. Leo Jr. would be contacting an independent company that he is familiar with for a quote.

Discussion of planting trees and shrubs if pricing is affordable yet this year and if not, to have the Reflecting Garden staged for a photo opportunity in order to bring attention to the garden. Hopefully if the public is aware of our plans and future plans, donations for benches, shrubs, plaques in honor of loved ones will begin to come into the cemetery budget to help cover the expenses. Judi Grove will check with the Historical Society to see how they implemented their brick memorials.

Next meeting scheduled for September 8, 2010 at 4:30 p.m. we will meet at the Three Lakes Cemetery.

Meeting adjourned at 5:10 p.m.

Susan Harris-Committee Member
